Lewis Homes invited potential purchasers to join them when they celebrated the opening of a brand new showhome at the popular Meadows development at Tylcha Fach, Coed Ely, last month.

The Marlow – a spacious semi-detached property boasting 3 bedrooms, a large kitchen/breakfast area and generous outside space is conveniently situated close to major motorway and rail links, with easy access to both Cardiff and Swansea and good shopping and leisure facilities at nearby Talbot Green, the Meadows boasts a mix of 2, 3, 4 and 5 bedroom properties, all built to the highest specification.

Lewis Homes Director, Marc Lewis said, "We sold out the first phase at the Meadows in record time and many of our latest purchasers have been recommended by friends and family already living at the development.

"Priced at just £149,950, the Marlow really is excellent value."
